

# VOCATIONS: ASSESSMENT

## VOCATION PACKING LIST

### VOCATION VACATION

Make a packing list for a person in a particular vocation who will be going away for a month.

At the top of your list, name the place you are going to, and describe what you will be doing during your trip.

Your list should show that you understand the kinds of things someone in this vocation typically does and the way that person shares in the mission of Christ.

- Example – Marriage: apron, baby bottle, play clothes, church clothes, etc;
- Example – Priesthood: Bible, vestments, Mass kit, etc;
- Example – Religious: habit, Breviary, etc.

*Did you know that when a priest is traveling, he often brings a “Mass Kit” with him that has everything he needs to celebrate Mass anywhere!*
