## VOCATION DISCERNMENT VIDEO

---

### PRAY, LISTEN, ACT, REPEAT

Dear Parents,

In religion class, your seventh grader is learning about the different vocations in the Catholic Church: marriage, priesthood, and religious life. Part of what we are learning is how to discover one's vocation later in life, a process that is called "discernment."

The U.S. bishops have produced a great video about discernment called "Pray, Listen, Act, Repeat." Here is a link to the 3-minute video:

You may want to watch the video with your child and discuss it. Even though a decision about his or her vocation is years away, it's never too early to develop the skills to listen for God's voice.
